Julia Baker gave a brief Authorizer report. Julia Baker stated that the MOS financials for the first quarter were due on May 1, 2018 and that when that date passed, the financials were to be made available by May 30. As of the meeting date, they had not been provided, and therefore MOS is not in compliance. Baker also stated that not only does MOS have the responsibility to provide financials to the Authorizer, but also to the general public and to the MOS Board, who as trustees of the State of Michigan, need financial information in order to perform their duties effectively.

Julia Baker also asked for clarification on the role of CPA Greg Bright and his contract with MOS, because Gar Hoover and Brook Drooger have been working on the financial statements and the budget. Both of these areas are responsibilities specifically listed in Bright's contract.

Brook Drooger discussed the desk audit and funding status.

The Superintendent's Report was given by Dr. Percy Clark, and the Principal's Report given by Principal, Cheryl Irvin.
