

Positive and Inviting School Climate

Please complete one survey response for each of your students. This survey data, along with our math, literacy, graduation rate, and attendance data will help us plan for improvements and for our resource allocation for the 2026-2027 school year. This survey is completely anonymous, but will ask some demographic questions so we can work to ensure a positive and inviting school climate for all our students. Thank you in advance!

* Indicates required question

1. Student's Grade Level *

Mark only one oval.
